1.3.3 Large table with long text

These are often badly rendered - need to figure out how to treat them.

ID	Model	Brand	Type	Body Wood	Neck Wood	Pickups	Summary
1	Stratocaster	Fender	S-S-S	Alder	Maple	3x Single-Coil	The Fender Stratocaster is a Swiss army knife of guitars. Its chimey single-coils and ergonomic body make it a staple for versatile players across genres.
2	Les Paul Standard	Gibson	HH	Mahogany	Maple	2x Humbucker	The Gibson Les Paul offers raw power and singing sustain. Ideal for high-gain tones and expressive solos, though its heft and price tag are not for the faint of heart.
3	Telecaster	Fender	SS	Ash or Alder	Maple	2x Single-Coil	The Telecaster delivers honest, cutting tones that punch through the mix. It's a workhorse for rhythm players and a minimalist's dream.

1.5 Code

Here you have some code:

```python
def compute_magic_value(data):
    # Initialize accumulator
    result = 0
    for item in data:
        if item % 2 == 0:
            result += item * 42
        else:
            result -= item // 3
    return result
```
